President's Message

By Paula Rosenberger, CEOE

Hello RCAEOP Family,

Can you believe 2020 is almost over??? Where has the time gone? It has been so great to see my teachers and students on campus finally. Although we are still unable to meet in person, I appreciate all who have been able to join or watch the recording of our virtual monthly meetings.

I appreciate everything each of you has done and continue to do to support RCAEOP and the office professionals in your district. Remember to check the website often for updates and information. Our Committee Chairs are always looking for an extra hand. If you haven't signed up for a committee, think about doing so.

In closing, I would like to take this time to give thanks for my RCAEOP family. Enjoy the next month with your family and friends, but remember to take a little time for yourself. YOU are an "Essential Piece"!!!

Continue to go "Beyond All Limits"!

Pecan Pie Cheesecake

Source: www.delish.com

INGREDIENTS

For the Cheesecake:

Cooking Spray
3 (8 oz) blocks cream cheese, softened
1 c. packed brown sugar
3 large eggs
¼ c. sour cream
1 tbsp. all-purpose flour
1 tsp. pure vanilla extract
¼ tsp. Kosher salt

For the Crust:

1 sleeve graham crackers, finely crushed
5 tbsp. melted butter
¼ c. packed brown sugar
Pinch of Kosher salt

For the Pecan Pie Topping:

4 tbsp. butter
½ c. packed brown sugar
½ tsp. ground cinnamon
¼ c heavy cream
1 ¾ c whole or chopped pecans
Pinch of Kosher salt

DIRECTIONS

1. Preheat oven to 325 and grease an 8" or 9" springform pan with cooking spray. Make cheesecake filling: In a large bowl using a hand mixer, beat cream cheese and brown sugar. Add eggs, one at a time, then sour cream, flour, vanilla, and salt.
2. Make crust: In a large bowl, mix together graham cracker crumbs, melted butter, brown sugar, and salt. Press mixture into prepared pan.
3. Pour filling over crust. Wrap bottom of pan in aluminum foil and place on a baking sheet. Bake until center of cheesecake only slightly jiggles, about 1 hour 30 minutes. Turn off heat, prop open oven door, and let cheesecake cool in oven, 1 hour, then remove aluminum foil and refrigerate cheesecake in pan until firm, at least 5 hours and up to overnight.
4. Before serving, make pecan pie topping: In a nonstick skillet over low heat, melt butter and brown sugar until bubbly (keep heat low to avoid burning butter). Stir in cinnamon, heavy cream, pecans, and salt until completely coated, then remove from heat and let cool and slightly thicken.
5. Release springform pan from cheesecake and spoon over cooled pecan pie topping. Serve.
